

Ocala, FL.

On 12-29-09, Detective Todd Tucker of the Marion County Sheriff's Office in Ocala, Florida, issued a theft alert for some new fencing that had been stolen over the previous weekend. In the meantime, Henry Roberts from Ocala Recycling in Ocala contacted Detective Tucker to advise him that a subject had just come in to their facility trying to sell new fencing. When questioned by Henry Roberts and other employees about the fencing, subject abruptly left with the merchandise. Roberts was able to provide Detective Tucker with the subjects name, vehicle description, and license plate number. Detective Spillman, coordinating with Detective Tucker, was able to locate the subject who still had the stolen fencing in his possession. All of the material was recovered. The subject was subsequently arrested and booked. Detective Tucker praised ScrapTheftAlert.com, for giving him the opportunity to notify all local recyclers and law enforcement immediately about the theft, as well as the good working relationship between the Marion County Sheriff's Office and Ocala Recycling. Getting the theft information out in a timely manner directly contributed to the overall success of this case, Tucker stated. Congratulations to Detective Tucker and Detective Spillman of the Marion County Sheriff's Office, and to Henry Roberts from Ocala Recycling. GREAT JOB!

How You Can Help

- Should you encounter (or if you have encountered) someone trying to sell this material, contact your local police immediately. Additionally, please contact the police department identified as handling the theft investigation.
- Please share this theft alert with your local law enforcement and with other scrap yards in your area.
- If you are involved in the recovery of this material and/or the arrest of a suspect, please respond by e-mail to theftalert@isri.org.

It is always helpful to law enforcement to have as much information as possible, including details about those attempting to sell the material and about the vehicle they are driving.

ISRI is a proud partner of the National Crime Prevention Council. Crime prevention works. It is cheaper, safer, and healthier for communities to prevent crime than to treat its victims, deal with its perpetrators, and lose civic health and productivity. FOR IMMEDIATE RELEASE

FENCING THIEF ARRESTED AFTER TRYING TO RECYCLE STOLEN GOODS

At approximately 8:00 a.m. on Tuesday, 12/29/09, deputies responded to Cunningham Fluid Power, 4020 SE 45th Court in Ocala, in reference to a burglary that had occurred during the night. The owner, Dale Debruycker, reported that someone had stolen nearly \$6,000 in galvanized fencing supplies from his business.

While investigating, detectives received a call from a local aluminum recycling company regarding a suspicious male in a white pick-up truck who was trying to sell them fencing supplies. When they questioned the suspicious person, he left with the supplies.

Using the information from the aluminum company, detectives identified and located Jaramie Amidei at his residence in Summerfield. Detectives observed the stolen fencing supplies on his property and Amidei was subsequently arrested. The stolen product was returned to Cunningham Fluid Power.

Arrested: Jaramie Amidei, H/M, 04/19/88
11425 SE HWY 42
Summerfield, FL 34491

Charges: Commercial Burglary, Grand Theft
