

On 11-21-2011, Detective John Warmuth of the Marion County Sheriff's Office in Ocala, Florida issued an alert for the theft of metal braces from a bridge construction site in Marion County, Florida. On 12-16-11, another theft occurred from this location, of the same type of material. Detective Warmuth issued a second alert. Quick Stop Recycling in Jacksonville, Florida did not receive the first alert, as they had not registered for Scrap Theft Alert at the time. After registering, they did receive the second alert. Bobi Gordon of Quick Stop Recycling notified Detective William Katsacos of the Jacksonville Sheriff's Office in Jacksonville, Florida after discovering they had the material in question. Detective Katsacos notified Detective Warmuth of the Marion County Sheriff's Office. The material was positively identified and was subsequently recovered and returned to the owner. Two suspects were identified and arrested. Congratulations to Detective Warmuth, Detective Katsacos, and Bobi Gordon. Nice job!
